

## Positive reasons to vote Lib Dem on 4th June!

1. "Only the Liberal Democrats work hard all year round. You only hear from the other parties at election time."
2. "The Lib Dem FOCUS Team keeps in touch with regular FOCUS newsletters, so local people know what's going on."
3. "It's a two-horse race between the Liberal Democrats and Conservatives. We all know that Labour can't win round here."

**IT'S A 2 HORSE RACE!**

In the 2007 Canterbury City Council elections Liberal Democrats and Tories were neck and neck in Canterbury South East.

***"I'm backing Nigel"***

says Councillor Brian Staley.

"As Canterbury City Councillor for Little Stour I know that electing Nigel Whitburn to Kent County Council will be great for Littlebourne, Ickham, Bramling, Wickhambreux and Stodmarsh.

Nigel has spent more than 30 years in the transport industry - for the last 5 he has been providing advice and assistance to communities wishing to improve local transport facilities and considering Community Transport projects.

He has been a Parish Councillor since 1991 so he knows and understands the issues faced by villages like ours. Now working as Community Development Manager with the charity, "Action with Communities in Rural Kent", Nigel is committed to doing all he can to maintain and improve the services and facilities we still have.

To gain a County Councillor who can speak up for rural communities, join me in voting for Nigel Whitburn, the **BEST CHOICE** for Canterbury South East!"

Wickhambreux & Stodmarsh.**

Kent County Council has been Conservative run for the last 10 years. Kent Lib Dems have been listening to what you have been telling us on the doorstep.

You tell us there are 6 main areas where the Conservatives have let you down.

These are the six we need to fix:

### 6 to fix for a safer, greener Kent

- **Stop the waste of money** - and spend on YOUR priorities.
- **Fix the roads and pavements** - repair the potholes and broken kerbs in your roads.
- **A greener Kent** - better public transport and improving recycling.
- **Better local services** - Improve children services, better facilities for young people and help for those people who need it most.
- **Safer Streets** - Work with the police to tackle crime and anti-social behaviour, more community policing.
- **Safer roads** - improve road safety schemes and stop the cuts.

If you agree with our Six to Fix Campaign...why not give us a hand?

KCC Liberal Democrats have pursued a "green" agenda for many years. We alone opposed the giant incinerator at Allington.

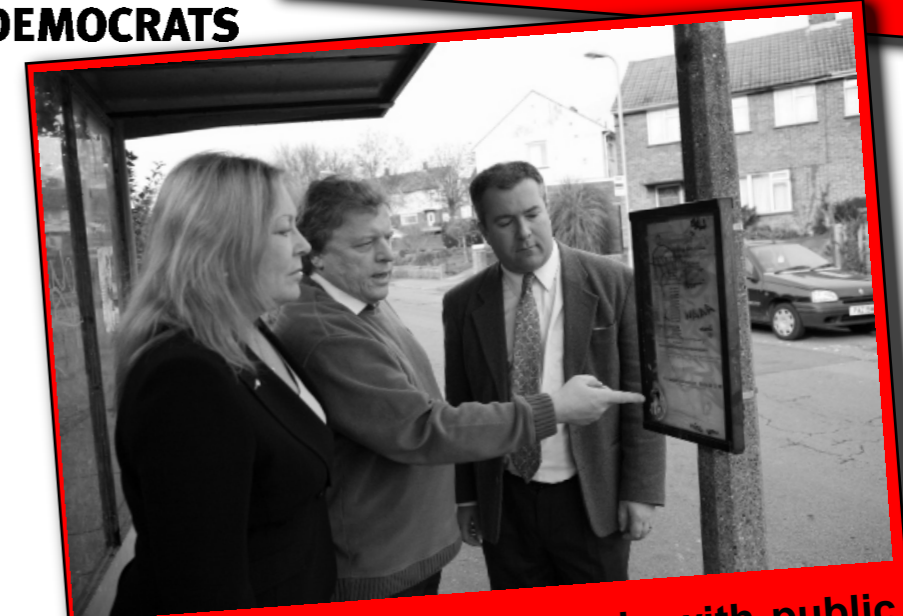

At the current rate of progress it would take Conservative Run Kent County Council 300 years to bring roads and pavements up to proper repair.

More effective action to reduce traffic volume and speeds through our communities is needed.

It is vital we retain local shops, post offices and other services. Working for this would be a better use of the money being wasted on Kent TV!

We must work more closely with public transport operators to get improved services. Greater assistance should also be given to groups setting up Community Transport schemes.
