10200576 Parish Representative	02/09/2008	CASTLE WAY There is a very serious matter of which the Parish Council has raised previously and that's regarding the no entry signage on the A228 bypass heading towards the M20 at the junction with Castle Way. As you will be aware there have been several accidents at this junction with vehicles inadvertently turning right from the A228 M20 bound, across the oncoming traffic and into Castle Way. While I am not aware of the details of the recent accident which took place at this junction some 3 weeks ago, it is of concern that the street signage which was completely wrecked in this accident which also included the No Entry sign have still not been removed and replaced. For motorists therefore the only obvious signage that this is a no entry is by road markings which are not always obviously visible. While I would trust that a review of the dangers of the junction at this location is still being reviewed can you please advice the Parish Council who is responsible for the replacement of these damaged signs?	z-Sign-Damage/Missing/Obs z-Signs and Street Name Plates	JO - Works Completed As per details in the location field		N HAVE RASSED ORDER FOR T/M WORK
10202207 Parish Representative	27/02/2009	PARK ROAD o/s no 40	Footway Damage Footway/Off-Rd Cycleway/Verge	ENQ - No Action Required Spoken to Parish Clerk Heather Bryant and advised Park Road Leybourne - outside no. 40 the tarmac pavement has sunk and has become a hazard causing one of our parishioners to fall. Your urgent attention to this would be appreciated.		N passed to southern water
10202834 Parish Representative	12/05/2009	BIRLING ROAD	Road/Traffic Damaged/Missing Signs & Name Plates	ENQ - Enquiry Resolved Email dated 08 May 2009 from Chairman Bob Ulph - picture showing warning signs which have been vandalised - in their present position they will have precisely no impact on inconsiderate drivers in Birling Road.		N Email sent to Mr Ulph dated 08 May 2009 - The Highway Inspector has turned the signs facing the correct direction - Pavinder Jutte.

16255577 Parish Representative	09/02/2009	OXLEY SHAW LANE Leybourne - Oxley Shaw Lane at the entrance with Willowmead	Unclassified Road/Carriageway	ENQ - No Action Required "Some of our residents in Leybourne have requested that a Zebra/Pelican Crossing be installed on Oxley Shaw Lane at the entrance with Willowmead so that they can cross the road safely to gain access to Bridgewater Place and get through to the Shops/doctors. Situated in Willowmead is Waterside Court which is an old peoples residence. It is for these residence that we are putting in our request. I hope that this is something KCC Highways can accomodate." 05/02/09		N Transportation Engineer advised that there would be insufficient numbers of pedestrians crossing throughout the day to warrant this infrastructure. Email dated 18 March 09 sent to Parish Clerk Heather Bryant advising of this info - Pavinder Jutte.
16236320 Parish Representative	27/11/2008	LILLIEBURN tree to the rear of 7 Harvest Ridge	Obstructing Highway Trees	JO - Works Completed I wish to report an ongoing problem that is being sent from one dept to another. There is a tree to the rear of 7 Harvest Ridge. The tree is actually situated on Lillieburn. The tree in question is a Eucalyptus and has rather out grown the area. The resident of 7 Harvest Ridge is very worried about the tree especially in the wind as they are prone to becoming brittle and branches coming off. Please can you get this tree trimmed quite significantly as soon as possible. The resident complains about this tree at least once or twice a month and he is an elderly gentleman who is not in the position of trimming any of the tree himself. Your earliest action on this matter is greatly appreciated. Regards Heather Bryant Clerk to Leybourne Parish Council	08/12/2008 / 1	N Job 1724918 - Reactive Works Complete
